

FAMILY CAMP PRICING

SUMMER OF 2021

We have simplified our pricing for 2021, combining fees for housing, meals, and program into a basic price. The basic price includes a cabin without a kitchen and the full meal plan. There are adjustments to the basic price for different types of lodging and for different meal plans. **Pay half the cost of Family Camp by February 15, 2021 and receive 20% off if you are returning or 40% off if it is your first time attending.**

NOTES:

1. The total cost for a 6-day week for a family of 2 adults, a 6-year-old (youth), and a 3-year-old (child) in a cabin without a kitchen would be $\$930 + \$330 + \$230 + \$125 = \$1,615$. With the 20% early pay discount the total cost would be $\$1,292$. With the 40% first-timer early pay discount the total cost would be $\$969$.

2. We include the full meal plan in the basic cost because we like having people eat together. It helps build our Mount Carmel Family community. But we also offer a partial meal plan, which includes the Sunday brunch, all the noon meals, and two evening meals.
3. The Large Family Discount is for families with more than two dependent children. We like having large families at Mount Carmel and we don't want the cost to get too high!
