# FALL MEN'S WARRIOR TRAINING RETREAT

**SEPTEMBER 24-26, 2021**

We are excited to welcome back Brian Wallace of Warrior Training to be our guest teacher for the Mount Carmel Men's Retreat! Warrior Training engages young men in order to encourage them in their faith, remind them of their identity in Christ, and challenge them to take up their cross and pursue the living God. In addition to providing biblically based teaching, Brian will lead participants in a variety of applications of scripture that can be found at <https://www.warrior-training.com/>.

Reminding men of their true identity in Christ is one of the most consistent callings God has placed on Brian's heart. Husbands, fathers, brothers, sons...workers and explorers and artists and poets...builders and healers and teachers and warriors...all walking with God in courageous, loving purpose... this is life. This is what we were made for.

This event is open to men of all ages, and would be particularly good for father-son duos!

## GUEST SPEAKER: BRIAN WALLACE

Brian Wallace has been involved in ministry in many different forms over the past twenty-five years. Beginning as a youth group volunteer in Maryland and Virginia, he was soon on the road full time with a music missions team that traveled throughout the US and overseas. He then served as a church youth director in Texas, worked on staff at a Bible camp in Minnesota, and taught high school & junior high science at Christian schools in Maryland and Colorado. He has authored several faith-based novels and has been a speaker at ministry events across the US, India, and Nepal. He currently lives in Southern California.
